

VEGAN & ORGANIC

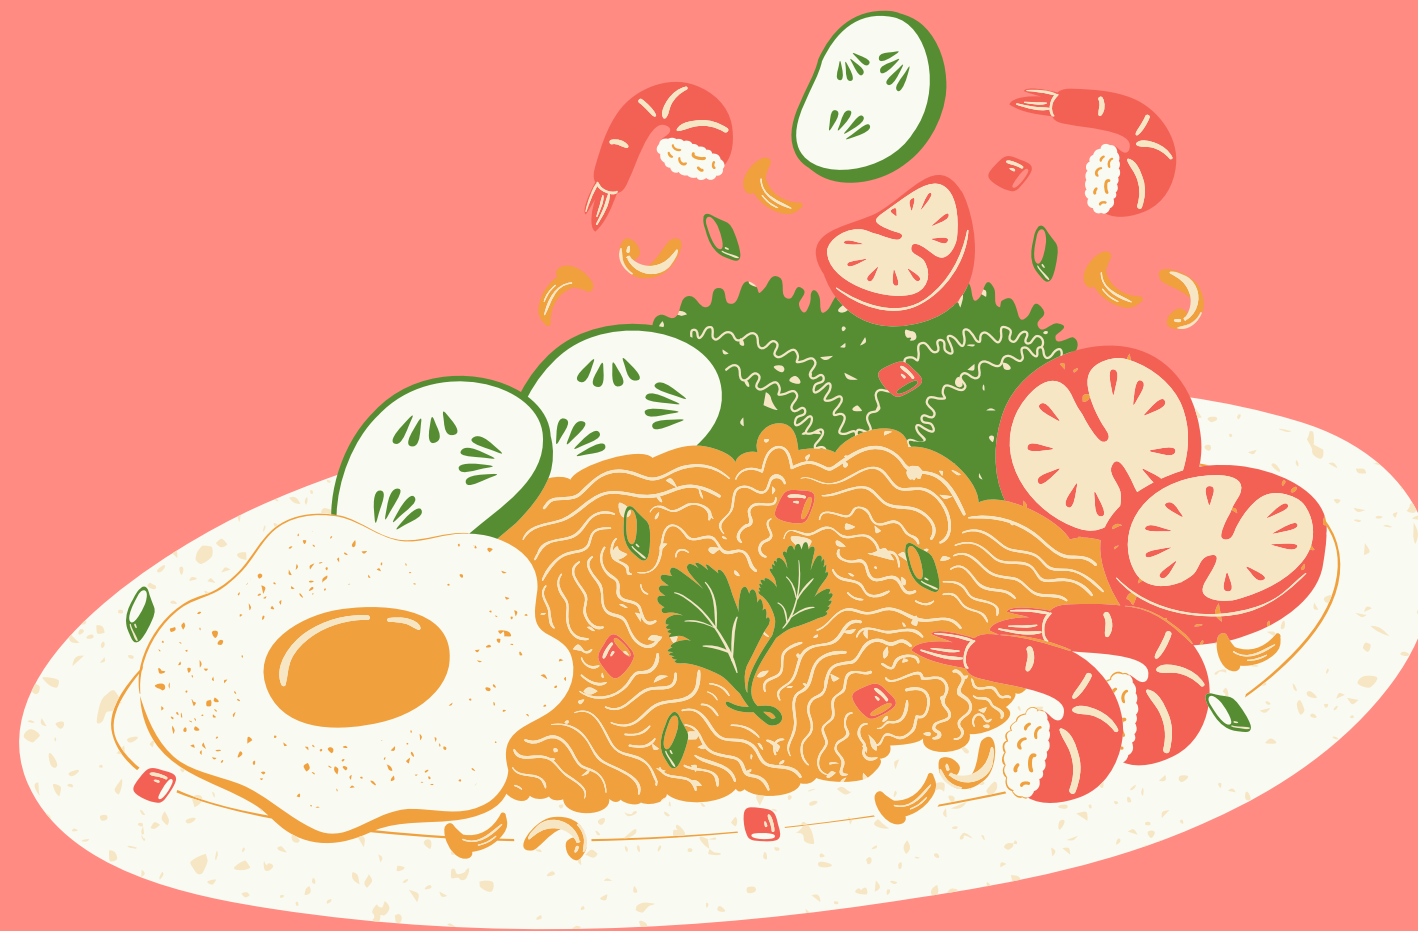

TABLE OF CONTENT

This is the material point that will be delivered in the presentation.

- 3. DEFINITION
- 4. OUR PROPOSAL
- 6. CONTACT

DEFINITION

We first try to determine for our customers what the need is and describe which standards must be met!

The standards are:

- Flexitarian – pescatarian - lacto - ovo vegetarian - lacto –
vegetarian - ovo vegetarian – pollotarian - vegan

FOCUS

We propose meat, fish and dairy flavour types for developing the right booster.

Most vegan aromas or seasonings can also be developed with an organic certificate

THANK YOU
